PROPHETICA

AMAZING DISCOVERIES REVEAL THE FUTURE

Many people are deeply troubled about: the increasing global tensions and conflicts with the very real possibility of international nuclear conflict; the moral decay in society; the fragility of the global economy; and climate change. All of this is creating deep feelings of anxiety and uncertainty about the future, which makes it reasonable then to ask, "Where are we heading and what does the future hold?"

PROPHETICA invites attendees on the journey of a lifetime. Participants will travel to lost civilisations to understand the significance of current momentous global events, which will inevitably shape how the future unfolds. They will discover irrefutable evidence from history, archaeology and current events, that the most
